Testimonials

Here is what others have said about Sports Images' Auction program.

Quotes:

"Thank you so much for helping the Mark Bavis Leadership Foundation enjoy another successful fundraiser. With Dave O'Brien giving us great advice and selecting awesome pieces for our auctions our fundraising has become alot easier. Our foundation now has two events per year and with Sports Images helping us year round with preparing the silent and live auctions people leave our events totally amazed with the great items on display. I would also like to thank you for always giving us unbelievable advice on framing some of the items that are donated to us. In my opinion your framing is a big reason for the bidding "wars" that occur at our events. Your ideas make it possible for us to really be at ease with the outcome of the auctions and focus on the other details of the fundraisers. After every event people ask where we acquired our products and I am happy and proud to tell them Sports Images. See you soon as our annual golf tournament is just around the corner."

"I have used Sports Images as an auction resource center for the Christopher K. Hollis Make-A-Wish Foundation Charity Golf Classic for three years. They are very professional, knowledgeable, helpful and reliable. Their advice on successful auction items has always been right on target and I have been able to generate thousands of dollars each year from the items Dave O'Brien steers me toward Thank you Sports Images for making my job easier!"

Barbara K. Hollis
Tournament Director

"We held our first auction in 2003; our participants loved it and it surpassed all of our expectations. Sports Images provided with us some great advice and products that really created some excitement. We raised over \$10,000 on these items alone with no risk at all! We look forward to using Sports Images again in 2004."

Tom Mack, Co-Chairman,

Rico Petrocelli
Boston Red Sox Legend

We have been impressed with the high quality of the pieces that you offer and blown away by the response from our event attendees. A true highlight was the \$1,800 we raised off of the autographed Tedy Bruschi "snow game" picture! I look forward to many more years of doing business together!
